# Advances in Cardiology & Interventional Imaging

Saturday and Sunday, 10<sup>th</sup>-11<sup>th</sup> April 2021 via Webinar

Kementerian  
Kesihatan Malaysia

COR, Malaysia

WeAnsa Solutions

Introduction			
WeAnsa Solutions in collaboration with MOH is organizing the next course on “Advances in Cardiology and Interventional Imaging”. Medical imaging technology has been undergoing tremendous changes. Becoming knowledgeable about high technology imaging is essential for the radiologist and radiologic technologist to grow with the field. Therefore, this course is designed to meet your needs on your terms and at your own pace.			
Course Objective:		Radiographers	Radiologists
<input checked="" type="checkbox"/> Improve knowledge , competencies and confidence in clinical practices. <input checked="" type="checkbox"/> Provide participants new insight into the diagnostic procedures	<b>Registration Fees</b>	<b>RM 270</b>	<b>RM370</b>
	<b>Normal Registration</b>	RM 370	RM470
<b>Target Group</b> Radiologists, Physicians, Radiographers, Medical Physicists, MO Radiology, Nurses in Imaging and Cardiology Dept			

## Saturday, 10<sup>th</sup> April 2021

1:30pm-1:50pm	Registration
1:50pm-2:00pm	Welcome & Introduction
2:00pm-2:45pm	<b>Good Practices &amp; Radiation Safety in Cardiac Cath Labs - Mr.R B Pramod, Training Leader, Singapore</b>
2:45pm-3:30pm	<b>Emergency management in Cardiac Cath Labs - Mr.R B Pramod, Training Leader, Singapore</b>
3:30pm-4:00pm	<b>Essentials of Emotional Intelligence - Mr.R B Pramod, Training Leader, Singapore</b>
4:10pm-5:00pm	<b>Intervention in Gynecology - Uterine Embolization - Prof. Dr. Anushya A/P Vijayananthan, Consultant Radiologist UMMC</b>
5:00pm-6:00pm	<b>Vascular Access in Interventional Radiology - Prof. Dr. Anushya A/P Vijayananthan, Consultant Radiologist UMMC</b>

## DAY 2– Sunday, 11<sup>th</sup> April 2021

9:00am-10:00am	<b>CT Cardiac vs MRI Cardiac- Associate Professor Dr. Marymol Koshy, Senior Consultant Radiologist, UiTM</b>
10:10-11:10am	<b>Cardiac MRI Study- Doing it Right the First Time- Mr.Anand Shanmugam, MRI Cardiac Senior Radiographer, PHKL</b>
11:15-12:00pm	<b>The importance of QAP in High end Fluoroscopy systems esp IR and Cardiology- Bahagian Kawalselia Radiasi Perubatan, MOH</b>
12:00-12:45pm	<b>The perspective, role and Responsibility of Radiographer in IR - Mr. Lee Chin Chew, IR Supervisor &amp; Senior Radiographer. UMMC</b>
12:45pm-1pm	Q&A/ End Of Day

<b>Contact</b>	Mr. Paul ☎ +6012 224 1570 Ms. SK ☎ +6012 241 2470	Email: <a href="mailto:cme@weansa.com">cme@weansa.com</a>	Online Registration: <a href="http://www.weansa.com/air2021">www.weansa.com/air2021</a>
• Collaboration with MOH, Malaysia		HRDF Claimable	CPD points will be awarded
